Each part starts on a sign from the conductor then progressively each individual singer takes his/her own sounds (any nonsense syllables), speed and rhythm, using the notes C D E G A in any order at any octave. Starts quietly then increases in volume and pitch like people trying to make themselves heard in an increasingly noisy space.

At a sign from the conductor, singers introduce the word "babble" more and more often, until all sing only that repeated word, using volume and pitch (still using only C D E G A) until at a sign from the conductor...
